22nd Annual Chamber Golf Outing

A little bit of rain, well ok, a lot of rain did not stop the Harvard Chamber of Commerce's 22nd Annual Golf Outing from being a huge success! We would like to thank everyone who donated, participated and volunteered, you are the ones who made this event a success.

The outing was held at Plum Tree Golf Course in Harvard. The Golf Course out did themselves with a delicious steak dinner and scrumptious side dishes. After dinner everyone was treated to Dilly Bars courtesy of Dairy Queen.

A new ,fun twist was added to this years event.. Each team was allowed to purchase 20 feet of string for \$20.00. You could use this string as a legal way to shave off a few strokes. You would stretch out the string to the hole, cut the string off, pick up the ball and don't count the stroke.

The string had to last you the whole game.

Let's congratulate this years Super-Raffle winners!

\$75.00 – Jim Olson, Dennis Adams, Tom Condon, Dave Nelson, Kathy Nolen and Judy Koch.

\$100– Kathy Rokus, Mayor Jay Nolan and Jim Olson.

\$250– Loan Department at The Harvard State Bank.

\$2,000– the pot was split between Clavey's Nursery and Phil Ulmer and Darrell Perkins.

Harvard Happy Hop Chamber Mixer

Fun was had by one and all at the August 7th's Harvard Happy Hop's Chamber Mixer.

Owners Mike and Francine Kelly set up one of their inflatable's, The Monkey House, on the Chamber's ground and invited all children to come and jump for free. Meanwhile inside, the grownups enjoyed delicious food and networking with other Harvard businesses.

Harvard Happy Hop is a family owned business which started in May 2007. Miike and Francine rent inflatable bouncers and

slides. The slides can be used wet or dry. They also rent an

inflatable cow which you can use to advertise your business. The cow stands alone or will sit in the back of a truck. The night of the mixer, Happy Hop raffled off

the use of the cow. Roger Pescinski of The Harvard State Bank won the raffle, so be on the look out for the cow! The fee to rent the advertising cow is \$100.00 per day.

Harvard Happy Hop services Harvard and surrounding communities. Try an inflatable for your next birthday party, fundraisers or company event.

You can contact Mike and Francine at 815-943-7329 or email them at: info@happyhop.com. Check out their web site at: www.harvardhappyhop.com to

The Flower Bin Etc. Chamber's Ribbon Cutting Ceremony August 6, 2007

A Word from Jack D. Franks

Greeting Harvard Chamber members. I would like to update you on what I have been doing in Springfield to help McHenry County Businesses.

Gov. Blagojevich is trying to muscle an \$8 billion tax hike through the General Assembly for expensive new programs, while the state is struggling to meet current obligations. The governor's gross receipts tax (GRT) is a bad idea that would place an undue burden on Illinois businesses, and the consequences would trickle down to consumers.

That is why I led a bipartisan coalition of lawmakers to vocally oppose Gov. Blagojevich's GRT proposal. In May, the Governor's multibillion-dollar tax hike was soundly defeated in the House by a vote of 0-107.

I also chaired an historic Committee of the Whole to debate the Governor's proposal to sell the state lottery. I opposed the Governor's plan because we cannot allow the Governor to sell state assets to pay for programs we cannot afford. The Committee I chaired defeated the Governor's proposal by a vote of 6 to 78.

I have been working to help local businesses expand, as well, I sponsored House Bill 1241 which increases Build Illinois loans for minority, disability, and veteran owned businesses from \$50,000 to \$100,000, and House Bill 1241 which creates a tax benefit for businesses that start up child care services for their employees. Both bills passed the House and Senate by a unani-

mous vote.

I would like to hear your comments and suggestions, and thank you for your continued input and advice. If you have any questions or concerns, please call me at (815) 334-0063 or email me at jack@franks.org.
