Financial institution dues is based on the following formula:

- 0.001% of Harvard (60033) deposits as reported on the FDIC (SOD report) and the NCUA websites for June 30 of the preceding year.
- The dues will be the greater of the above calculation or the normal (based on number of employees) schedule.

Each increase of 50 employees will result in a dues increase of \$ 95.00.

In calculating number of employees, two part time will equal one full-time.
